Account Fees

You agree to pay certain Account fees in accordance with this Truth in Savings Disclosure and the Fee Schedule. Please refer to the Fee Schedule for current fee information. The Credit Union may charge a fee and/or stop paying dividends on dormant and inactive Accounts. You agree that the Rate Schedule and Truth in Savings Disclosure and the Fee Schedule may be amended from time to time by our Board of Directors. If you have any questions regarding current rate and fee information, please call the Credit Union.

Dividends

The Account Dividend Rates and the corresponding Annual Percentage Yields (APY) disclosed above are subject to change at any time as determined by the Credit Union's Board of Directors. The above Dividend Rates and yields are of as the last dividend declaration date. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

The Platinum Money Market, HSA Checking and Rewards Checking Accounts are Tiered Rate Accounts. The balance ranges for Dividend Rates and the corresponding APY applied to each tier are as above listed. For Platinum Money Market and HSA Checking Accounts, once a particular dividend range is met, the dividend rate and APY for that range will apply to the entire account balance. For "Qualified" Rewards Checking accounts, the dividend rates, APY and range of balances listed above will apply to your account if you meet the minimum service requirements during the qualification cycle. Each rate will only apply to that portion of the account balance within each range. If you do not meet the minimum service requirements for the qualification period, the dividend rate and APY yield will be as listed in the "Non-Qualified" Rewards Checking accounts and same will apply to the entire balance of the account. The minimum service requirements include the following: (a) you must have twelve (12) debit card purchases; (b) you are enrolled in online banking and receive e-statements; and (c) you have at least one direct deposit or automatic payment (ACH). Transactions must post and settle to your Rewards Checking account during the monthly qualification cycle (they may not be in a pending state). When you meet all of the minimum service requirements for the qualification cycle, ATM fees incurred during the qualification cycle at an ATM not owned by us will be refunded to you, up to a maximum of \$4.99 per transaction. The qualification cycle is the period beginning one day prior to the current calendar month (statement cycle) and ending one day prior to the close of the current calendar month (statement cycle). See website for a detailed list of qualification cycle dates.

Cash Back Checking

If account qualifications are met, you will receive 3% cash back rewards on purchases up to \$250.00 dollars. The maximum cash back during any statement cycle is \$7.50 dollars. Account qualifications: during each statement cycle, the following service requirements must be met: conduct twelve (12) debit card transactions, conduct one (1) ACH (debit or credit), and enrollment in e-statements. When you meet the account qualifications, ATM fees incurred during each cycle at an ATM not owned by us will be refunded to you, up to a maximum of \$4.99 per transaction.

Minimum Balance Requirements

Minimum balance requirements are as set forth above. The par value of a regular share in this Credit Union is \$5.00. You must maintain a minimum balance of \$5.00 in your Share Account to be considered a member in good standing. If the Minimum Daily balances are not met during each day of the dividend period, there will be a service charge as stated on the Fee Schedule and you will not earn the stated Annual Percentage Yield.

This number will be used when reporting the dividends you earn on your Account(s) to the Internal Revenue Service (IRS). You understand that failure to provide this number will subject dividends and certain other payments paid to you under certain

1. The IRS notifies us that your TIN is incorrect;
2. You are notified by the IRS that you are subject to backup withholding because you failed to report all your interest and/or dividends on your tax return;

OWNERSHIP

Single Owner Accounts

A single owner Account is an Account owned by one member including any individual, corporation, partnership, trust or other organization qualified for Credit Union membership.

Multiple Owner Accounts

All Multiple Owner Accounts are joint Accounts without rights of survivorship. Upon the death of any Joint Owner, the surviving Joint Owner(s) may continue to access the Account and make withdrawals.

Any Owner of a Multiple Owner Account is authorized and deemed to be the agent of all Owners(s) and may act for the other Owner(s). The Credit Union may accept orders and instructions from any Owner. Each Owner guarantees the signatures of the other Account Owners. Any Account Owner may withdraw all funds in the Account, stop payment on Items drawn on an Account, transfer, or pledge to the Credit Union all or any part of the shares of any Account without the consent of the other Account Owner(s) and the Credit Union shall have no duty in such event to notify any other Account owner(s). Any such pledge shall survive your death and shall be superior to the rights of any other Account Owner(s).

The Credit Union reserves the right at any time to require written consent of all Account owners for a change of ownership or termination of a multiple owner Account. If any Item deposited in a Multiple Owner Account is returned unpaid, an Account is overdrawn, or if we do not receive final payment on any transaction, each of the Multiple Owner Account owners is jointly and severally liable to the Credit Union of the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who created the overdraft, deposited or charged the item, or benefited from the transaction(s). If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any account of an Owner or all of the funds in the Multiple Owner Account, regardless of who contributed them. Furthermore, the Credit Union may charge the amount of the negative balance against any other account from which any of the Account Owners is entitled to withdraw money or charge such negative balance as an advance pursuant to any existing loan of any Multiple Account Owner to satisfy the negative condition pursuant to any credit agreement any Multiple Owner Account has with the Credit Union.

POD Accounts

A Payable on Death (POD) Account is an instruction to the Credit Union that an Account so designated is payable to the owner(s) during the account owners' lifetimes, and upon the death of the last account owner, such POD account is payable to any named and surviving POD beneficiary designated on your Account Card. Accounts payable to more than one surviving POD beneficiary are owned jointly by such beneficiaries without rights of survivorship. Any POD designation will apply to any and all subaccounts to which that account card/signature card is directed. Notwithstanding the foregoing, any POD designation will not apply to Individual Retirement accounts (IRAs), which shall be governed by a separate POD beneficiary designation. The Credit Union shall at no time have any obligation whatsoever to notify any POD beneficiary of the existence of any Account or the vesting of the POD beneficiary's interest in any Account, unless required by law. Upon the death of the last surviving owner, payment to any beneficiary shall be valid and discharge us from any liability for such payment. The death of an Account Owner shall not affect the validity of any statutory or consensual liens created prior to the death of the Owner(s).

Accounts for Minors

For any Account established by a minor, the Credit Union reserves the right to require the minor account to be a Multiple Owner Account with a Joint Owner who has reached the age of majority under applicable law who shall be jointly and severally liable to the Credit Union for any returned Item, overdraft, or unpaid charges or amounts in such Account. The Credit Union may make payments

of funds in such account directly to the minor without regard to his minority. The Credit Union has no duty to inquire of the use or purpose of any transaction by the minor or any Account owner. The Credit Union shall not change the Account status when the minor reaches the age of majority, unless authorized to do so in writing by any Account Owner.

Uniform Transfers to Minors Accounts

Uniform Transfers to Minors Accounts are Accounts established for a minor by depositing funds as an irrevocable gift to a minor under the Uniform Transfers to Minor Act. An adult individual must be appointed as custodian of the Uniform Transfers to Minors Account. The minor, to whom the gift is made, is the Account owner and beneficiary of the funds and may access the funds in the Account as soon as the minor reaches the age of 21 or such other age as set out by statute. The Credit Union has no duty to inquire of the use or purpose of any transaction by the custodian. In the event of the custodian's death, legal incapacity, or resignation, the Credit Union may place an administrative hold on the Account until it receives instructions from any person authorized by law to withdraw funds, such as the successor custodian appointed on the Signature Card or a court order authorizing such withdrawal. The terms of these accounts are deemed to include the provisions of the Uniform Transfers to Minors Act enacted in this State, as amended from time to time.

Sub Accounts

Except for Individual Retirement Accounts, all Accounts, including Certificate Accounts, opened under the Share Account number will be owned by the same Owner(s).

Account Disputes Between Account Owners

If the Credit Union receives notice of a dispute between Account owners or receives inconsistent instructions or claims from them, including third party claims alleging an interest in the Account, the Credit Union may suspend or terminate the Account, require all Account Owners agree in writing to any transaction or require a court order to act by filing any legal action (including an interpleader) for a determination of ownership and for resolution of the dispute. You further authorize us to deduct our costs and expenses, including attorney's fees, incurred and involved in filing and pursuing the legal action.

Share Accounts

This Account is established when application for membership is accepted. The purchase of one share is required to open this account. Voting privileges are extended to the Primary Account Holder of this type of account, and Joint Account Owners of this type of account are not eligible to vote. Please refer to the Rate Schedule and Truth in Savings Disclosure and Fee Schedule to determine applicable fees for Accounts.

Individual Retirement Accounts (IRAs)

Traditional, Roth and Coverdell Education IRA Accounts are available to applicable members. IRA Account provisions are governed by separate document(s) that will be provided at the time you open these type accounts. Individuals under the age of 59 ½ may be subject to Internal Revenue Service penalties and payment of ordinary income taxes when withdrawing principal and dividends from a Traditional and Roth IRA Account.

Certificate Accounts and IRA Certificate Accounts

Nothing contained in this Agreement shall be construed so as to make the Certificate Account a demand deposit. We reserve the right to require at least seven (7) days written notice of an intention to withdraw any funds represented by a Certificate. This notice time may be increased according to our Bylaws or applicable law. You will receive a receipt for the funds deposited in the Certificate Account you establish with us. The receipt is merely evidence of your Certificate Account with us and is non-negotiable and non-transferable. Certificate Accounts may not be pledged, transferred or assigned to any party other than this Credit Union. Additional terms and conditions are disclosed in the Truth in Savings Section of this Agreement.

Checking Accounts

The Credit Union offers Checking Accounts. The fees charged on this type of account vary. Please refer to the Rate Schedule and Truth in Savings Disclosure and Fee Schedule to determine fees, minimum balance requirements and monthly service charges.

The Credit Union is under no obligation to pay any Item that contains a suspected forgery or alteration and, in such an event, we will incur no liability for any action regarding the nonpayment of any Item. You agree that in no event will the Credit Union be liable for damages for the dishonor of any Item as long as we act in good faith and exercise ordinary care, regardless of whether you have a balance in your Account sufficient to pay any Item that we fail to pay. The Credit Union will not be liable for any loss resulting from any reasonable delay in sending notice to you that the Item has been returned uncollected.

The Credit Union is not liable to you if the Credit Union pays an Item containing an alteration or a forged or unauthorized signature. The Credit Union will process checks drafts, items and other orders by electronic means and smaller items will not be examined physically. You agree that we will set a minimum amount of an item we may examine and will not examine an item less than that minimum amount. You agree and acknowledge that the Credit Union will not examine items less than said minimum amount and is not liable or responsible for any lack of effective signatures, endorsements, alterations or other matters which might have been discovered by an actual physical examination of an item.

You will be sent a periodic statement that will indicate all transactions and activity on the Account during the statement period. Such statement will be mailed to your last known address as shown on the Credit Union's record. You agree that the statement is sufficient to allow you to reasonably identify the Items without indicating the payee of any Item. You have a duty to examine the statement and discover any Items containing unauthorized signatures or alterations. If you discover any Items on the statement that differ from your records, you must promptly notify the Credit Union. Failure to notify the Credit Union within a reasonable time frame, not exceeding thirty (30) days, after your statement is made available or mailed will prevent you from recovering on the Item. The Credit Union will not be liable for Items forged or altered in a manner not detectable by the Credit Union through reasonable means, including, but not limited to, forgery or alteration resulting from the unauthorized use of a facsimile signature machine.

You understand that your original Items will not be returned to you. You are responsible for examining each statement and, if you request them, copies of Items, and reporting any irregularities to the Credit Union. For a fee, the Credit Union shall give you a copy of any paid Item charged to this Account upon receiving a written request from you. You agree that the availability of obtaining a copy of a paid Item, upon request made to the Credit Union, constitutes a reasonable manner in which the Credit Union may make available paid Items. We may charge this Account for this service in accordance with the fee schedule established by our Board of Directors. You agree that the Credit Union's retention of Items does not alter or waive your responsibility to examine your statements or alter the time limits for notifying the Credit Union of any forgery, alternation, errors or objections.

In the event we pay an Item drawn on this Account, we may charge this Account the amount of such Item, even if the Item is presented more than six (6) months after its date.

If an Item is presented for payment and the amount of such Item exceeds the fully paid and collected share balance in this Account, we may assess this Account a charge (to be established from time to time by our Board of Directors) for the presentment of such Item regardless of whether or not the Item is paid.

You agree the Credit Union shall not be responsible for the acts or omissions of any other party selected in connection with this Account or the condition of any Item, draft or other Item handled under this account subject to the Credit Union's duty to exercise ordinary care.

Overdrafts

Although we are under no obligation to pay any Item that exceeds the fully paid and collected share balance in the Account, we may, at our option, pay such Item or permit the withdrawal even though the payment or withdrawal causes an overdraft in the account. **To determine whether you have enough money in your Account to cover a transaction, we use your Account's available balance which is based upon the deposits and withdrawals to your account and all pending electronic transactions, including pre-authorized transfers, point of sale transactions, and merchant payment authorizations, regardless of whether they have posted to your Account.**

The Credit Union, by covering one or more overdrafts, does not agree to cover overdrafts in the future and may discontinue covering overdrafts at any time. We pay overdrafts at our discretion, therefore, we **do not guarantee** that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined. If the Credit Union decides to pay an item that overdraws your Account, you agree to immediately pay the overdraft amount plus a fee as disclosed in the Rate Schedule and Truth in Savings Disclosure and Fee Schedule.

In the event there is a negative balance, each signer on the Account and each Account Owner is jointly and severally liable for the negative balance, any fees incurred, and interest thereon. The Credit Union may charge the amount of the negative balance against any other account from which any of you, jointly or individually, are entitled to withdraw money, amounts or establish a credit advance pursuant to any credit agreement between you and the Credit Union

Stop Payments

You may request that we stop the payment of a draft issued by you, other than an official check, by a written stop payment order. Unless renewed, a written stop payment will expire after six (6) months. You may also orally request a stop-payment by calling us. Any oral stop-payment order is valid for fourteen (14) calendar days. Your stop-payment order must be received at such time and in such manner as to afford us a reasonable opportunity to act on it prior to any other action being taken on the draft. You agree that in order for us to have a reasonable opportunity to act, we must receive your stop-payment request at least two (2) business days before the draft is received by us for posting to your account. The term "*business day*" does not include any Saturday, Sunday, or federal holiday, even though our office may be open. We may charge you a fee for each stop-payment order you give.

The Credit Union reserves the right to refuse to honor any requests to stop payment of any Item for any reason consistent with good faith and the exercise of ordinary care. You agree that unless you give the correct Account number, Item amount and Item number the Credit Union assumes no responsibility for stopping payment. If the Credit Union credits your Account after paying an Item over a valid and timely stop payment order, you agree to assist the Credit Union if it takes legal action upon the Item. You agree to hold harmless and indemnify the Credit Union against all claims, costs, attorney's fees, damages, and other expenses or losses that may be incurred by the Credit Union, its employees, or agents on account of a stop payment order.

The above stop payment provision only apply to items you issue on your Account. You do not have the right to stop payment on a cashier's, teller's check, certified funds, or any Item issued by the Credit Union or by anybody but you.

Stale-dated Checks

We, at our full and complete discretion, may pay a check presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner described above.

Payment Order of Checks

Checks, drafts, transactions and other items may not be processed in the order that you make them or in the order that we receive them. We may, at our sole discretion, pay a check, draft or item, and execute other transactions on your Account in any order we choose. The order in which we process checks, drafts and other items may affect the total amount of overdraft fees that you may be charged.

Special Account Instructions

You may request the Credit Union to facilitate certain trusts, wills, or court-ordered account arrangements. However, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. The Credit Union shall not administer trust accounts. The Credit Union may, at its complete discretion, permit accounts to be owned by trusts on a case-by-case basis.

If you ask the Credit Union to follow any instructions that the Credit Union believes might expose it to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, the Credit Union may refuse to follow your instructions or require you to post a bond or some other protection. You to hold harmless and indemnify the Credit Union from any and all claims or losses that may arise out of any transaction pertaining to any Account. Furthermore, the Credit Union has no responsibility to determine if the trustee, personal representative, administrator, or any other fiduciary has been duly appointed and qualified to act in that capacity, nor whether any transaction by a fiduciary involving such an account is in accordance with or authorized by applicable law or agreement. The Credit Union's only obligation with such accounts is to act as a depository for the funds in the account. Account changes requested by you, or any other Account Owner, such as adding or closing an account or service, may be required to be in writing and signed and the same must be evidenced as accepted by the Credit Union at its discretion.

Deposits

Funds deposited in person to a Credit Union employee are considered deposited that day. Funds mailed to the Credit Union are deposited and posted after receipt. Funds deposited in non-staffed depositories are considered received when removed from the depository, are processed and are confirmed pursuant to Credit Union procedures and posted to your Account. If you make a deposit on a business day that we are open, we will usually consider that day to be the day of your deposit. All non-cash items credited to this Account will be credited conditionally, subject to final payment, and such items may be charged back from any Account in which you have an ownership interest or the right to withdraw, at any time until the proceeds thereof in money (U.S. Dollars) have been actually received by us. If any Item deposited in an Account is returned unpaid, you are jointly and severally liable to the Credit Union for the amount of the returned Item and any charges, regardless of who deposited the Item or benefited from the transaction. We shall not be obligated to notify you that an Item has been dishonored or not otherwise collected. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor any extra time beyond any midnight deadline. We will not be responsible for recognizing any conditions and/or written instruction concerning payment contained on an Item deposited to or drawn on an Account, including, but not limited to, restrictive endorsements or postdated Items.

If you make a deposit, transfer, or payment at an unstaffed depository, you agree that the correct amount in the event of discrepancy between a written receipt or deposit slip and our accounting will be the amount that our procedure concludes was found in the envelope used to make the transaction. You agree that our conclusion regarding the amount deposited is final.

Direct Deposits

We may offer direct deposit options allowing you to pre-authorize deposits (e.g., payroll checks, Social Security, retirement checks, other government checks, etc.) or transfers from your Accounts with us. You must authorize any such deposits or transfers by a separate authorization form. If you wish to cancel the direct deposit or pre-authorized transfer option, you must notify us at least thirty

(30) days prior to the next scheduled date for any direct deposit or pre-authorized transfer. If we deposit any amount in your Account by mistake, you authorize us to deduct the amount from your Account at any time without prior notice.

Night Deposits

Each deposit placed in the night depository shall be contained in a pouch/envelope approved or supplied by us and securely locked/sealed. No article or container, other than the pouch approved/slip or supplied, shall be deposited in the night depository. The night depository is to be used only for the deposit therein of cash and checks, drafts or other items intended for deposit to your account. You expressly agree to accept as final and conclusive the record of the Credit Union as to what property was in the pouch when opened and the count of the Credit Union shall be final and binding.

Endorsements

Each of you appoints the other Account Owner(s) as your attorney-in-fact for any purpose including, but not limited to, the power to deposit funds and endorse any Item payable to any Account Owner. You agree that the deposit of any item is the legal equivalent of every Owner's endorsement of such item for deposit. You authorize the Credit Union to supply any missing endorsement for you on any Item or other instrument tendered for your Account. We are relieved of any liability in connection with collection of such Items that are handled by us and we shall not be liable for acts of our agents, subagents or others, or for any casualty. You agree to indemnify us from any loss due to an endorsement or other writing placed on a check, before it is accepted by us, in an incorrect manner under the Federal Reserve's Regulation CC or other applicable laws or rules.

Actions by Legal Representatives

You agree that we are authorized, but not required, to recognize the authority of any attorney-in-fact, guardian, custodian, trustee, or agent legally appointed by you or by a court of competent jurisdiction for the transaction of business on your Accounts. In doing so, we will have no duty to inquire as to the use or purpose of any transaction by any legal appointee. You agree that we are not obligated to conduct any transaction except those actually authorized by you.

In order to honor the appointment of an attorney-in-fact, we may require, at our full and complete discretion, such person to indemnify us for any loss, claims, or damages arising from our reliance on the appointment of the attorney-in-fact. You agree to allow us to forward any power of attorney presented to us to our attorneys for review and that any delay caused by such review is authorized and reasonable under the circumstances.

Inactive Accounts

An Account may be considered dormant/inactive when there has been no transaction other than dividend postings for a period established by the Board of Directors. The Credit Union may charge a fee for continuing to process your dormant/inactive Account as set forth in the Rate Schedule and Truth in Savings Disclosure and Fee Schedule. The Credit Union will send notice to you, as required by law, at your last known address prior to imposing any fee. You authorize us to transfer funds from any account from which you can withdraw to cover any such fee. To the extent allowed by law, the Credit Union reserves the right to transfer the Account funds to an account payable and to suspend any further account statements, dividends and interest payments.

Abandoned Accounts

If a deposit or withdrawal has not been made on the Account and the Credit Union has had no other sufficient contact with you within the period specified by state law, the Account will be treated as abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, the Credit Union has no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

Termination of Account

The Credit Union may terminate your Account at any time without notice to you or may close your Account or apply for a new account if: (1) there is a change in Owners or authorized signer; (2) there has been a forgery or fraud reported or committed involving your Account; (3) there is a dispute as to the ownership of the funds in the Account; (4) any share drafts are lost or stolen; (5) if there are excessive returned unpaid Items not covered by an overdraft protection plan; (6) if there has been any misrepresentations or any other abuse of any of your Accounts; (7) if the Credit Union reasonably deems it necessary to prevent a loss to the Credit Union; or (8) if the Credit Union believes such termination to be in the best interests of the Credit Union. Funds Availability Policy Disclosure

Our policy is to generally make funds from your deposits available to you on the first business day after the day we receive your deposit. At that time, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. To determine when your funds are available, the length of hold is counted in business days after the day of deposit. Every day except Saturday, Sunday or a federal holiday is a business day. If you make a deposit before 5:00 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00 p.m. or on a day we are not open, we will consider the deposit made on the next business day we are open. Availability does not guarantee ultimate collection of non-cash funds. Any dishonored instrument(s) will be charged back against any of your Accounts.

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

Deposits made in person to one of our employees, cash and funds from Federal Reserve Bank Checks, federal home loan checks, postal money orders, state and local government checks, cashiers', certified and tellers' checks will be available on the first business day after the day of your deposit if they are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you make your deposit into an ATM), funds from that deposit will be delayed an additional business day. Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate may not be available until the fifth (5th) business day after the day of your deposit. Funds from deposits made at ATMs that we own or operate will be available on the second (2nd) business day after the day of your deposit. All ATMs that we own or operate are identified as our machines. Funds from other check deposits will not be available until the second business day after the day of your deposit.

Longer delays may apply. Funds you deposit by check may be delayed for a longer period of time under the following circumstances:

1. We believe a check you deposit will not be paid.
2. You deposit checks totaling more than \$5,000.00 on any one day.
3. You deposit a check that has been returned unpaid.
4. You have overdrawn your account repeatedly in the last six (6) months.
5. There is an emergency, such as a failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. Checks deposited into your Share Account will become available when the funds are received.

If you are a new member, the following special rules will apply during the first (thirty) 30 days your account is open. Funds from electronic deposits to your Account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000.00 will be available on the ninth (9th) business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury checks) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit.

Checks drawn on financial institutions located outside the U.S. (foreign checks) are exempt from the policies outlined in this disclosure. Generally, the availability of funds related to foreign checks will be delayed until we collect the funds from the financial institution upon which the Item is drawn.

Wire Transfers

The following terms shall apply to all wire transfers of funds (as defined by Federal Regulation J and Article 4A of the Uniform Commercial Code as set out in the Code of Louisiana) to or from any of the member's accounts at this Credit Union. To the extent the terms contained in this Agreement are different than those in any other agreement or terms of accounts, this Agreement shall control and be deemed to modify such other agreement or terms of accounts.

If you request a funds transfer to be made or if a funds transfer is made to your Account, the Federal Reserve Board's FedWire may be used. Regulation J governs all FedWire Transfers and therefore, determines the rights and liabilities of the parties of the transfer.

All Automated Clearing House payments are provisional. We may give you credit before we receive final settlement of the funds transfer. If we do not receive payment for the provisional credit granted we might charge back to you any provisional credit that we have given. In that event, you authorize us to take such sum from any Account in which you have an ownership interest or the right to withdraw.

Notice of funds transferred from or a receipt of a funds transfer into your Account will be made by us on your periodic statement for the affected Account. We are not obligated to provide you with next day notification of transfers to your Account. You may, of course, inquire between periodic statements regarding transfers. You agree to examine the periodic statement within fourteen (14) days after the statement is mailed and immediately notify us of any discrepancy or error. If you fail to notify us within fourteen (14) days after the statement is mailed you shall discharge and relieve us from any liability of claims, demands or expenses (including attorney's fees) in connection with such discrepancy or error.

All funds transfer will be made according to our security procedures. Those security procedures are intended to verify that an order is authorized and detect errors in the transmission or content of the payment order. The security procedures we will use are: (1) wire transfers must be made in person at the Credit Union unless other approved security methods are used; (2) you will be required to produce your approved photo identification; and (3) you will be required to sign a wire transfer authorization. These security procedures will also apply to any amendment or cancellation of a payment order. A payment order, verified by the security procedure is effective as your order, whether or not the order is in fact authorized by you. We may give you notice of change in the security procedures. In this event, we shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the Credit Union agree in writing to an alternate security procedure.

If a beneficiary of a funds transfer is identified by name and an identifying number or account number, payments made to the beneficiary may be made on the basis of that identifying number or account number even if the number identifies a person different from the named beneficiary. We will not be responsible for the amount of the transfer paid by means of a designated identification number or account number even if it goes to the wrong beneficiary.

If a payment order identifies an intermediary or beneficiary's financial institution only by an identifying number or account number, we may rely on that number as being the proper identification of the intermediary or beneficiary's financial institution. If a payment order identifies an intermediary party or beneficiary's financial institution by both name and an identifying number, and the name and number identify different financial institutions, we and any receiving financial institution may rely on the identifying number as the proper identification of the intermediary party or beneficiary's financial institution. You agree to indemnify us for any loss or expense that result from our reliance on an incorrect identifying number or account number. We are authorized to take the amount of such loss or expense from any Account in which you have an ownership interest or the right to withdraw.

Any rate of interest that we may be obligated to pay as a penalty under Regulation J or Article 4A shall be equal to the dividend rate paid on the account from which the funds transfer should have occurred or to which the proceeds of the funds transfer were or should have been deposited, whichever is lower. Our liability is limited to the payment of this interest.

You agree that under no circumstances will we be liable for any indirect, incidental, consequential, remote or special losses or damages, including attorney's fees and costs, arising from any wire transfer.

We may establish or change the cut-off time for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless you are notified of other times or other times are posted for various types of funds transfers, the cut-off times will be :4:00 p.m. for all outgoing international wire transfers; 4:00 p.m. for all outgoing domestic wire transfers; and 5:00 p.m. for all incoming domestic or international wire transfers on each weekday that we are open and which is not a holiday. Payment orders, cancellations or amendments received after the applicable cut-off time may be treated as having been received on the following business day we are open and processed accordingly. Additionally, the cut-off time may be extended without notice to you if an intermediary or beneficiary institution is closed. We are under no obligation to accept a cancellation or amendment to the funds transfer order received from you but may do so at our option.

We may, at our option, choose not to carry out your funds transfer order, including cancellation or amendment of an order, that is not in accordance with the terms of this agreement, or if the transfer is prohibited by a court order garnishment, tax levy or the like, or we reasonably believe such transfer would result in a loss to us. We are not obligated to give you notice of such action, but notice may be given in your next periodic statement or as otherwise required by law. Requests for funds transfers must be made in accordance with the rules and procedures that we have in place at the time of the request. We may charge you a fee for the transfer or other related services according to our Fee Schedule at the time of the funds transfer order.

Electronic Fund Transfers (EFTs) Disclosure

The following terms and conditions will govern all electronic fund transfers (EFTs) initiated by you or anyone else you have given access to your Accounts, whether by telephone, automated teller machines (ATMs), Automated Clearing House (ACH) networks, or by any other electronic means, as established by the Electronic Fund Transfer Act. You agree to be responsible for all unauthorized EFTs made from your Accounts subject to limitations contained in applicable federal law. Those limitations on your liability for unauthorized EFTs are summarized later in this part. By signing the Signature Card, you request us to issue an access device and authorize us to issue one to you. You agree that any ATM or Debit Card issued to you remains our property and may not be transferred or assigned to anyone. Upon our request, you agree to return your ATM or Debit Card to us. Everyone who receives, signs, or uses an ATM Card or Debit Card issued under this Agreement must be a party to this Agreement. We may terminate access to EFTs or cancel your access devices at any time. Upon such termination, we shall give you notice of termination. The devices may not be used after we cancel them or after they have expired. If we do cancel, you agree to return your Card(s) to: EFCU Financial Federal Credit Union, P.O. Box 91001, Baton Rouge, Louisiana 70821.

Access to EFTs may be terminated by you by giving a written notice to us and returning the Card to us. Termination of the access device shall not affect the liability you incurred prior to termination. You must keep your share account(s) and Checking Account(s) open in order for your access to EFTs to remain valid. You agree to pay the current charges shown on our Fee Schedule and any future charges that may be approved by our Board of Directors for the use of EFTs. You authorize us to take any such fees from any account in which you have an ownership interest or right to withdraw.

We believe that the various means of accessing EFTs will prove to be reliable. However, certain means may not operate properly at all times. We, therefore, will not promise that our systems will always be available for your use. You promise not to attempt to make a transfer when a system tells you or other circumstances give you a reason to believe that the system is closed or is not operating properly due to a technical malfunction or are otherwise unable to make the transfer you desire.

You agree that if we notice your accounts are being used more frequently than usual, or are having larger amounts withdrawn than are usually withdrawn, we may try to contact you to verify that the access device to the EFT has not fallen into the hands of an unauthorized user. If we do not reach you, we may, in order to attempt avoidance against possible losses, choose to invalidate your access device the next time it is used. If we do, in fact, invalidate your access device, it may be revalidated. Contact us for the particulars involved in revalidating the device. However, you understand that we have no obligation to keep up with how the account is usually used or to notify you if we notice unusual activity.

To initiate transactions via an ATM Card, Debit Card or our telephone response system, you must have a personal identification number (PIN). You agree not to tell your PIN to anyone, not to write the PIN on your Card or do anything else that would cause the Card or PIN to fall into the wrong hands.

You agree also to tell us if you believe the Card or PIN has been stolen or lost. The fastest way to notify us is by calling (800) 963-3328 or 225-214-6800

You agree that we are not responsible for providing security guards or other security measures at various ATM terminals unless required by applicable law.

If you make a transfer, deposit or payment at an ATM terminal, you agree that the correct amount, in the event of a discrepancy between a written receipt or deposit slip, will be the amount that we find in the envelope used to make the transaction. You agree that each transaction completed during normal Credit Union business hours will be posted immediately to your account; transactions received after normal Credit Union business hours may be posted on our next regular business day. You further agree that credit to accounts for non-cash Items will be conditional until we can collect the Item. If we cannot collect the amount of the non-cash Item, that amount will be deducted from your account.

You agree that the EFT system shall be used only for the type of EFTs we offer and to have access only to the accounts that we in advance have approved. If through some error the Card permits you to withdraw funds from an account that you should not be allowed to use, we may charge the amount involved to an account that you can use.

In addition to the terms and conditions listed above, you agree that any accompanying Electronic Funds Transfer Disclosure statement shall cover EFTs made by you. This Agreement and all transactions under this Agreement will be governed by Louisiana and applicable federal law.

1. **OBSERVE THE SURROUNDINGS:** Before approaching any automated teller machine ("ATM") be alert for any suspicious persons or circumstances. Should you observe suspicious persons or circumstances or otherwise feel uneasy or uncomfortable with your surroundings leave the area immediately - do not use the ATM. 4. **REMAIN OBSERVANT WHILE USING THE ATM:** While transacting business at the ATM continue to observe your surroundings. Be careful not to disclose or otherwise reveal your Personal Identification Number ("PIN") to others while using the ATM. Never begin a transaction when strangers have a clear view of the ATM keyboard. Use your body to shield the ATM keyboard as you access the machine. This will allow you to access the machine without disclosing or revealing your PIN. You should check your surroundings every few seconds while actually using the ATM. Should you observe any suspicious persons or circumstances terminate your transaction immediately, leave the area and contact law enforcement authorities.
5. **LEAVE QUICKLY:** Upon completing your transaction, retrieving your card and receiving your receipt immediately leave the ATM area. If you believe that you are being followed you should go to the nearest place where there are people and contact law enforcement authorities.

The above disclosure is a required disclosure given pursuant to La. RS §1361, infra. It is not intended to create any rights or duties as between the parties. The guidelines contained herein are not all inclusive. Users of ATMs should utilize such other precautions as may be appropriate under any particular set of circumstances. EFCU Financial Courtesy Pay Service Policy

EFCU Financial offers a Courtesy Pay program. If your account qualifies for Courtesy Pay, we will consider, without obligation, paying items for which your account has insufficient or unavailable funds, instead of returning those items unpaid. This document explains how the Courtesy Pay program operates.

Examples of transactions and situations for which Courtesy Pay may apply

An overdraft occurs when you don't have available funds in your account to cover a transaction. Here are a few, but not all, situations that could result in an overdraft:

- You write a check, initiate an electronic funds transfer or swipe your debit card for an amount that exceeds your available balance
- You deposit a check that is returned unpaid causing a negative balance once those funds are withdrawn
- You are assessed a fee for an amount that exceeds your available balance
- You initiate a transaction before funds deposited have become available according to our Funds Availability Policy

The Courtesy Pay service applies to a variety of transactions including checks, electronic withdrawals using your checking account number, automatic bill payments, ATM transactions and everyday debit card transactions; however, we will not include ATM and everyday debit card transactions within our Courtesy Pay service without first receiving your consent. Without your consent, ATM and everyday debit card transactions will generally not be paid with this service.

Participation in our Courtesy Pay program is not mandatory. You may opt out or revoke prior consent to cover ATM and everyday debit card transactions at any time by notifying one of our service representatives.

EFCU Financial retains the discretion to decline to pay any item under the Courtesy Pay program. This means we can refuse to pay any overdraft for any reason. Furthermore, if we decide to pay an overdraft item, we have no duty to pay future overdrafts. If we do not pay an overdraft, your transaction will be declined and we may assess a fee in accordance with our fee schedule. Our standard per item overdraft fee is currently \$30. There is no limit on the total fees we can charge you for overdrawing your account.

Notification of returned or paid items will be included on your monthly statement. In addition, automated alerts may be set up through online banking. The amount of any overdrafts, including our fees, is due and payable immediately or on demand.

Eligibility for Courtesy Pay

Courtesy Pay is a discretionary service and is generally limited to a \$800 overdraft (negative) balance for eligible Rewards, Classic and Business Checking accounts. Per item overdraft fees count towards that limit. We may limit the number of accounts eligible for Courtesy Pay to one per taxpayer identification number. Courtesy Pay is usually extended only to accounts in good standing. Some, but not all, characteristics of an account in good standing:

- The account must be open for at least 30 days
- The account demonstrates consistent deposit activity within each 30 day period
- The account owner is current on all loan obligations with us
- The account is not subject to a legal order such as a tax lien or bankruptcy

Other options

We offer overdraft protection services in addition to Courtesy Pay, such as linking another account or line of credit, that may save you money on the fees paid for overdrafts. The Courtesy Pay program should not be relied upon regularly for routine expenses. If you feel that you need help with your financial obligations or to discuss your options, contact us at 225-214-6800 or speak with one of our service representatives at any branch.
